

Product information:

PROMO5303 features a 19" display with an illuminated shelf underneath. This set-up is a great way to present our sources, matrix systems or amplifiers as they can simply be put on the shelf and be accompanied of a slide show or videos on the screen included giving the audience some more info about the system.

The promotion display is accompanied by a install manual that contains guides for placement of our NOBA8 bass cabinet and the flush mount, column and ATEO speakers.
